

## **VIDELIO-Events renews for the sixth time in a row its technical feat for the april 18<sup>th</sup> meeting of the political movement "Les Insoumis"**

On april 18<sup>th</sup> for his political meeting **Jean-Luc Mélenchon will be on stage simultaneously in 7 cities thanks to the holographic technology proposed by VIDELIO-Events.** The candidate of "France Insoumise" will be physically in Dijon but also in Montpellier, Grenoble, Nancy, Clermont-Ferrand, Nantes and Le Port in the island of La Réunion by using six holograms.

The Mélenchon teams will rely once again upon the expertise and strength of the VIDELIO-Events network to accomplish the **technical feat of displaying a live hologram in six different locations at the same time.** This revolution in political meetings is done in collaboration with **Adréaline Studio** who is in charge of the scenography and **Musion** who supplies the transparent holographic projection foil.

**VIDELIO-Events**, using the combined strength of its video, sound and lighting experts as well as the 15 local agencies throughout France **is ensuring the coverage of the entire tour of the "Insoumis" across France** until election day : Tourcoing january 9<sup>th</sup> , le Mans january 11<sup>th</sup>, Florange january 19<sup>th</sup>, Paris february 5<sup>th</sup>, Lyon february 5<sup>th</sup>, Strasbourg february 15<sup>th</sup>, Brest february 28<sup>th</sup>, Place de La République march 18<sup>th</sup>, Le Havre march 29<sup>th</sup>, Châteauroux april 2<sup>th</sup>, Marseille april 9<sup>th</sup>, Lille april 12<sup>th</sup>, Toulouse april 16<sup>th</sup>...

On april 18<sup>th</sup>, the teams will exhibit their expertise and know how in 7 cities simultaneously. For this Event, the **french company** will setup a global technical infrastructure :

- Live video pickup
- Display and transmission
- Hologram production
- Video services
- Sound system
- Lighting
